

Trade name: Aqua Screen Lysis Buffer

Reviewed on: 08.10.2009

## 1. Identification of the substance/preparation and company

**Trade name:** Aqua Screen Lysis Buffer**Manufacturer/Supplier:** Minerva Biolabs GmbH, Landhausring 7, 12683 Berlin  
Telephone: +49 / 30 – 2000 4370, Telefax: +49 / 30 – 2000 4379**Information department:** Minerva Biolabs Technical Service, Landhausring 7, 12683 Berlin  
Telephone: +49 / 30 – 2000 4370, Telefax: +49 / 30 – 2000 4379**Poison emergency information:** +49 / 30 – 2000 4370

## 2. Composition/information on ingredients

**Chemical characterization :** Liquid (Proprietary Compound Mixture)**Hazardous components**

(Full text of each relevant R phrase can be found in heading 16)

CAS No.	Components	Value
60-00-4	edetic acid	2 - 10%
151-21-3	sodium dodecyl sulfyte	2 - 10%

(The data for the hazardous ingredients were taken respectively from the last version of the sub-contractor's safety data sheet.)

## 3. Hazards identification

**Hazard description:** Not applicable.**Information pertaining to particular danger for man and environment:** Not applicable.**Classification system:** The classification was made according to the latest editions of international substances lists, and expanded upon from company and literature data.**NFPA ratings (scale 0 – 4)**

Health = 0

Fire = 0

Reactivity = 0

**WHMIS-ratings (scale 0 – 4)**

Health = 0

Fire = 0

Reactivity = 0

## 4. First aid measures

**After inhalation:** Move to fresh air. If symptoms persist or in case of complaints call a physician.**After contact with skin:** Wash off immediately with soap and plenty of water. In the case of skin irritation or allergic reactions see a physician.**After contact with eyes:** Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If eye irritation persists, consult a specialist.**After ingestion:** Immediately call a physician.

## 5. Fire-fighting measures

**Suitable extinguishing media:** CO<sub>2</sub>, extinguishing powder or water spray. Fight larger fires with water spray or alcohol resistant foam.**Extinguishing media that must not be used for safety reasons:** None.**Special protective equipment for fire fighters:** Do not inhale explosive gases or combustion gases. Wear self-contained breathing apparatus for fire fighting, if necessary. Handle in accordance with good industrial hygiene and safety practice.

Trade name: Aqua Screen Lysis Buffer

Reviewed on: 08.10.2009

## 6. Accidental release measures

**Person-related safety precautions:** Avoid contact with skin and eyes. Do not breath in vapours. Ensure adequate ventilation.

**Measures for environmental protection:** Do not flush into surface water or sanitary sewer system. Do not allow material to contaminate ground water system.

**Methods for cleaning up/taking up:** Spilled or leaking material is to be soaked up with absorbent materials (sand, soil, diatomaceous earth, universal binders, sawdust) and put in containers. Dispose of as described in chapter 13.

## 7. Handling and storage

### Handling:

**Advice on safe handling:** Keep receptacles tightly sealed. Avoid contact with skin and eyes.

**Advice on protection against fire and explosion:** No special precautions required.

### Storage

**Requirements for storage rooms and vessels:** No special requirements.

**Advice on storage compatibility:** None.

**Further Information about storage conditions:** None.

## 8. Exposure controls/personal protection

**Additional information about design of technical systems:** No further data; see item 7.

**Components with limit values that require monitoring at the workplace:** The product does not contain any relevant quantities of material with critical values that have to be monitored at the workplace.

### Personal protective equipment:

**Occupational exposure controls:** Not applicable

**Protective and hygiene measures:** Handle in accordance with good industrial hygiene and safety practice. Take off contaminated clothing and shoes immediately. Remove and wash contaminated clothing before re-use. Keep away from food and drink.

**Respiratory protection:** Not required.

**Hand protection:** impervious gloves, chemical-resistant

**Penetration time of glove material:** The exact break through time has to be found out by the manufacturer of the protective gloves and has to be observed.

**Eye protection:** Tightly sealed goggles.

## 9. Physical and chemical properties

### Appearance

Form: Liquid

Color: Colorless

Odor: Typical for the product.

### Important health, safety and environmental information

**pH Value at 20 °C (68 °F):** 8.3

### Changes in the physical state

Melting point: undetermined

Boiling point: undetermined

**Flash point:** not applicable

**Oxidizing properties** None.

**Density at 20°C (68°F):** 1.017 g/cm<sup>3</sup>

**Explosive properties:** None.

Trade name: Aqua Screen Lysis Buffer

Reviewed on: 08.10.2009

**Water solubility at 20°C (68°F):** fully miscible**Auto ignition:** Product is not self igniting

## 10. Stability and reactivity

**Thermal decomposition / conditions to be avoided:** No decomposition if used according to specifications.**Dangerous reactions:** Reacts with acids, alkalis and oxidizing agents.**Dangerous products of decomposition:** Danger of toxic pyrolysis products.

## 11. Toxicological information

### Acute toxicity

**Primary irritant effect on the skin:** Irritant to skin and mucous membranes.**Primary irritant effect on the eye:** Irritant effect.**Sensitising effect:** No known sensitizing effect.**Additional information:** The product is not subject to classification according to internally approved calculation methods for preparations.

## 12. Ecological information

**Ecotoxicity:** No data is available on the product itself.**Persistence and degradability:** No data is available on the product itself.**Additional information:** Water hazard class 2 (self-assessment) hazardous for water. Do not flush into surface water or sanitary sewer system. Do not allow material to contaminate ground water system. Danger to drinking water if even small quantities leak into the ground.

## 13. Advice on disposal

### Product:

**Recommendation:** Must not be disposed of together with household garbage. Do not allow product to reach sewage system.

### Uncleaned packagings:

**Recommendation:** Disposal must be made according to official regulations.**Recommended cleansing agent:** Water, if necessary with cleansing agents.

## 14. Transport information

**US DOT 49 CFR 172.101****Hazard class:** -**Land transport ADR/RID (cross-border)****ADR/RID class:** -**Marine transport IMDG****IMDG Class:** -**Marine pollutant:** No**Air transport ICAO-TI and IATA-DGT****ICAO/IATA Class:** -

## 15. Regulatory information

### Sara

**Section 355 (extremely hazardous substances):** None of the ingredients is listed.**Section 313 (specific toxic chemical listings):** None of the ingredients is listed.**TSCA (Toxic Substance Control Act):** All of the ingredients are listed.**Proposition 65**

Trade name: Aqua Screen Lysis Buffer

Reviewed on: 08.10.2009

**Chemicals known to cause cancer:** None of the ingredients is listed.

**Chemicals known to cause reproductive toxicity:** None of the ingredients is listed.

**Carcinogenicity categories**

**EPA (Environmental Protection Agency):** None of the ingredients is listed.

**IARC (International Agency for Research Cancer):** None of the ingredients is listed.

**NTP (National Toxicology Program):** None of the ingredients is listed.

**TLV (Threshold Limit Value established by ACGIH):** None of the ingredients is listed.

**MAK (German Maximum Workplace Concentration):** None of the ingredients is listed.

**NIOSH-Ca (National Institute for Occupational Safety and Health):** None of the ingredients is listed.

**OSHA-Ca (Occupational Safety & Health Administration):** None of the ingredients is listed.

**Product related hazard information:**

Observe the general safety regulations when handling chemicals. The product is not subject to identification regulations according to directives on hazardous materials.

**National regulations:**

**Water hazard class:** Water hazard class 2 (self-assessment): hazardous for water

## 16. Other information

The information is based on present level of our knowledge. It does not, however, give assurances of product properties and establishes no contract legal rights.

The product is to be used exclusively for the applications named in the technical leaflet or in the processing instructions.

The receiver of our product is singularly responsible for adhering to existing laws and regulations.
